

LOCAL RENTAL SOLUTIONS

THE SMART CHOICE

Local Rental Solutions is a BC owned equipment rental company that brings over 100 years of combined experience in the equipment rental, sales and construction heating sector. LRS is well positioned to serve Central and Northern BC even in the most remote locations with offices located in Prince George, Terrace and the Yukon. "Service" is in everything we do, no job too big, too small or too remote for LRS.

Our specialized team includes gas fitters, engineers, qualified mechanics and electricians. We will design and implement temporary heating solutions of all sizes ensuring a safe system with maximum efficiency. Our philosophy is "one call does it all" leaving our customers with peace of mind.

Local Rental Solutions is proud to be locally owned. We value our team and the commitment they bring to us, our clients and the communities we serve.

The LRS team brings over 100 years of combined experience

Our Mega Hot Air Systems used at the Site C project to successfully heat all 4 tunnels.

More than a typical rental company, at LRS we work closely with you to deliver equipment, labour, and fuel solutions that align with your goals to help bring your project in on time and on budget.

Our specialized heat team will work on the design and implementation of temporary heating solutions of all sizes providing the philosophy of one call does it all when working with LRS.

With a gas contracting licence, certified gas fitters and qualified mechanics on staff our team can pull any necessary gas permits, deliver, install, leak test and professionally tune all equipment to ensure safe operating with maximum fuel efficiency. **We leave our customers with the peace of mind in a job well done!**

Thank You Local Rental Solutions

► Northern BC Indigenous Athlete Grant

- Dylan Llett** | "It is an expensive sport, and always travelling, especially being from the North. Every little bit helps for sure. Very thankful to all the Sponsors."
- Emerson Whitford** | "It means a lot, this money allowed me to attend NAIG. Living in a small town does not allow for as many resources as cities or big towns have. This grant let me take new skills with me back home. I was also able to make new friends and connections."
- Isaac Bedford** Archery
- Jackson Whitford** | "Thank you for supporting Northern Athletes."
- Staysha Hiebert** Hockey | "Huge thank you for the support and generosity of Local Rental Solutions and ISPARC. This grant has helped out so much. My family and I are very grateful and appreciative. I hope they know how much they are helping young Athletes like myself, achieve their goals and dreams."
- Rayham Davis** | "It helps because I was denied so many places. Most don't sponsor/donate individuals, just teams. Thank you, you helped me achieve Gold!"
- Tommy Reed** Xcountry Ski
- U11 Skeena Selects, Native Hockey Team**
- Braelyn Moore** | "Very thankful, and knowing there are people out there that help kids financially means a lot. I am so happy I was able to experience my first and sadly my last NAIG. Thank you. You have no idea how much lives you guys are changing for kids all over the world, helping them financially."
- Jaida Adams** Hockey | "Thank you for helping to make this Richmond tournament possible, couldn't have done it without the support of Engage Sport North."
- Peyten Legg-Cote** | "Thank you for the grant, it really means a lot."
- Derian Potskin** | "My thanks to the generous sponsors, Your grants help in so many ways, the athletes and families."
- Wyatt Mowat** | "Being awarded this money helps me out a lot while playing soccer. Means I'm closer to my goal to playing in the USA and possibly playing pro soccer."
- Jimmy Reed** Xcountry Ski
- Carter Simpson** | "I appreciate the time and money this grant offers to me and other athletes in my community."
- Leah Gauvin** Irish Dance | "I was excited and happy that I got to win more medals. I think that other kids should get the chance to do more stuff like I did."
- Tehya and Aiyanna Carpenter** Basketball | "This helps our training and reaching and our goals. We look forward to the North American Indigenous Games team selection process for Basketball this fall, and our high school seasons."
- Kali Doane** | "Excited! It is hard to find enough teams to play against in PG. Going to Kamloops is expensive, so the grant is Great! Thanks for the opportunity."
- Nathan McNeil**, Hockey | "Thank you for helping me and all the other kids that you help playing the sport that we love. It also means that we get to travel far away from home."
- Parker McNeil**, Hockey | "Thank you for helping me play the sport that I love. I was really helpful for me and my family."
- Piper Atkins** | "Thank you so much.....It means that I've got some of my entry fees paid off now....I appreciate you all and I am glad you could make this happen."
- Samantha Shipley**, Basketball | "Thank you to the sponsors for giving me the opportunity to play my sport at a higher level than what's offered in my community."
- Hayden Doane** | "It lets me keep playing soccer and competing in tournaments. Thank you for the money."
- Joelle Shipley**, Basketball | "I was surprised and grateful to be awarded a grant."
Hailey Shipley, Basketball | Favorite Quote "Being different isn't a bad thing. It means you're brave enough to be yourself."

On-Site Rental Program

Advantages To An On-site Rental Company

- **Quality Equipment** exclusive to your site or facility.
- **On-site Full Service Maintenance Program**, customized to your needs.
- **Pickup & Delivery Program** to and from jobs.
- **On-site Technical Support** for equipment being utilized.
- **Custom Service Trucks** designed for all conditions. Pay for time signed out eliminates hidden costs.
- **Reduced Freight Costs** moving units into and off site.
- **Equipment On-hand**, ready to go, reducing unwanted down times again increasing productivity.
- **Site Assisted Maintenance Program** – LRS technicians work with client maintenance groups to assist in the upkeep and servicing of client owned auxiliary equipment.
- Rental equipment at your fingertips.
- Same day pick-up and return eliminating lengthy rentals to and handling.
- In-house maintenance program serviced and tested.
- On-site technical support if issues occur during rental.
- Controlled costs for both planned and unplanned jobs.
