

Indigenous Relations Policy

Local Rental Solutions is committed to collaborating with Indigenous people and their communities to build long-term trusting and mutually beneficial relationships based on the values of inclusion, respect, safety, trust and accountability.

We respect that Indigenous communities have their own unique connection to the land and environment in which they live and appreciate the importance of learning from and respecting their cultures. LRS is committed to interacting with each Indigenous community in a way that respects their customs and history.

We acknowledge the treaty rights of Indigenous people as recognized and protected by the Canadian Constitution.

At Local Rental Solutions we work with Indigenous communities and organizations that look for opportunities to support education, social investment, healthy partnerships and lifestyles.

We are committed to protecting people and the environment while including the knowledge of Indigenous environmental stewardship.

Local Rental Solutions is committed to Indigenous relations based on principles of inclusion, respect, safety, trust and accountability.
